## Structure, governance, and management

#### PCC:

The method of appointment of PCC members is set out in the Church Representation Rules. All church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

# **Standing Committee:**

This is the only committee required by law. It has the power to transact the business of the PCC between its meetings, subject to any directions given by the PCC.

The business of the PCC is to manage and oversee the various church activities which can be summarised as:

**Finance**: all financial matters related to the church.

**Fabric:** the care and maintenance of the church building, the churchyard and parish hall; the *Building Governance group* which oversees the design, planning and administration relating to the Church Building Development Project (*Building Anew*) also falls under this category.

**Communications**: involving design and maintenance of the church website, publication and distribution of the Newsletter, maintenance of social media accounts and production of posters and literature for the different services and events in the church year.

Worship and Nurture: including the form and content of various church services, church music, arrangements for the Sunday School, Lent and Advent discussion groups, other bible study groups and rotas for welcomers, readers, intercessions and chalice ministry,

**Pastoral Care**: maintenance of the parish visiting team for baptismal preparation and follow-up; visiting those who are unwell or in need of support as directed by the Vicar/Churchwardens.

**Links**: maintaining the church's charity links and contact with the youth organisations and other groups who use the parish hall.

The PCC also supports the work carried out by the Diversity & Inclusion group which aims to help our local church and community respond actively to the issues of diversity, inclusion and equality and the Sustainability group which focuses on the church's response to sustainable and ecological issues.

### Parish Hall Management Committee:

This committee attends to matters relating to the upkeep and running of the Parish Hall. The current chairman is Mrs Jo O'Hagan.

#### Objectives and activities

St Mary with St Alban PCC has the responsibility of co-operating with the incumbent who until 7 September 2022 was the Revd Joe Moffatt, in promoting in the ecclesiastical parish the whole

mission of the church, pastoral, evangelistic, social and ecumenical. The parish is currently in an interregnum and during this time, the churchwardens have responsibility for the overall management of the parish. The PCC also has maintenance responsibilities for the Parish Hall, Langham Road, Teddington.

# Safeguarding and Clergy Discipline

The PCC has complied with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016, in relation to having due regard to House of Bishops' guidance on safeguarding children and vulnerable adults.

Approved by the PCC on 14 March 2023

# Financial Review

Overall income in 2022 rose to £324,164 this was partly due to record Hall rental income of £72,277 and a legacy of £11,000. Following the re-organisation of the Parish of St Peter & St Paul we now receive rental income from Flat 4 Bychurch End – though this is passed through to the Diocese in additional common fund payments. A disappointment has been the first fall in planned giving income since 2015 – see below.

In 2022 we also agreed to help Churches Together in Teddington by processing their income and outgoings. In normal years these payments are small and infrequent. However, in 2022 CTT processed a grant from Richmond Council for the running costs of a number of warm hubs in Teddington which has slightly distorted our income figures.

Costs for 2022 were £376,864 compared to £312,686 in 2021. The major changes were the increase in Common Fund payments from £105,000 to £122,000 and the costs of the extension project which rose to £47,146 from £5,552 as we worked to secure planning permission which was granted in December.

The effect of all of this is that the deficit for the year (including recognised losses on investments) was £64,679 compared to a small surplus of £1,157 in 2021. This reduced our cash holdings by 16%. The value of our investments fell 8.4% as markets performed poorly in 2021. Total funds are therefore down 13.7% on the year at £656,681.

Stewardship and planned giving remain our largest source of income generating £101,964 in 2022 compared with £108,557 in 2021. This is also supplemented by the Government Gift Aid scheme that refunds income tax paid on qualifying donations and therefore added a further £27,029 in 2021 and £25,961 in 2022.

The table below shows the number of planned givers in December 2022. We had 74 monthly givers via the Parish Giving Scheme (PGS); 67 monthly via standing order to our Barclays account and 18 monthly Givers via CAF Donate. In total 153 compare this with the 175 givers in 2021 and 178 in 2020 – this is reducing annual giving by approximately £15,000 plus £4,000 in Gift Aid. This reduction will be addressed in 2023.

## Church

Income attributable to Church activities was £248,976 (2021: £232,974) up £16,002. This increase was due in part to the receipt of a legacy of £11,000 (2021: £1,000); the flow thru of income from Churches Together in Teddington of £12,135 (2021: £0) and rental income from Flat 4 of £14,235 (2021: £0). As part of the re-organisation of the Parish of St. Peter and St. Paul the rental income from a flat now comes to the PCC. It is then passed through to the Diocese as additional Common Fund payments.

However, there were significant drops in other income items. For the first time in many years Planned Giving income fell by £6,593 to £101,964 (2021: £108,557.) Collections fell by £1,519 to £47,447 (2021: £48,966). Donations were down by £3,887 to £7,548 (2021: £11,435).

As a result of these falls recoverable income tax – Gift Aid income – fell by £1,068 to £25,961 (2021: £27,029). This meant that Stewardship and the associated recoverable income tax covered our contribution to the Common Fund of £122,000 (2021: £105,000).

Bazaar income was up at £6,327 (2021: £5,431).

The total costs of running the Church increased to £272,134 (2021: £225,051). This was mainly due to the increased expenditure on the Church Development project of £47,146 (2021: £5,552) ahead of the grant of planning permission in December 2022.

Higher costs were seen in music provision £17,611 (2021: £13,525) as the Church had a full year of services. The costs of running the Church including utilities were £15,656 (2021: £7,564). However, Church maintenance costs were only £552 (2021: £11,028)

#### Hall

Hall Rental income was up significantly at £72,277 (2021: £45,079). Expenditure on the Hall (excluding depreciation and maintenance costs) was £30,261 (2021: £25,534). The depreciation charge was £11,496 (2021: £10,635). Hall maintenance costs were £17,220 (2021: £7,802). This included the re-surfacing of the floor and safety improvements to the electrical system.

#### Parish Office

The cost of running the parish office increased to £45,752 (2021 £43,664). Income attributable to the Parish Office was £4,516 (2021 £19,807). This reduction was due to the cessation of the Job Retention Scheme (2021 £11,557) and the ending of payments in the first half of 2022 from St Peter St Paul for administrative support.

### Net Income/Deficit

In 2022 we showed a deficit on net income of £52,700 this compares to a deficit of £14,826 in 2021. A loss on revaluation of investments of £11,979 (2021: gain £15,893) was recognised giving a decrease in funds (deficit) of £64,679 (2021: surplus £1,157)

### Restricted and unrestricted funds

To comply with relevant regulations, we are required to segregate our funds in the accounts between those which are 'unrestricted' and those which are 'restricted' (i.e. those given for a particular purpose).

For 2022 restricted funds fell to £274,965 (2021: £279,421) — these are principally the depreciated capital cost of the Hall. Unrestricted funds fell to £381,716 (2021: £441,939). The total value of funds in the Church fell to £656,681 (2021 £721,360).

As explained in Note 1b, the PCC has considered the level of reserves which should be maintained to ensure that the PCC is able to meet both day to day costs in the event of year-to-year fluctuations in income, as well as being in a position to fund major structural work on our church and church hall.

To achieve this security the target is to maintain a general reserve of £50,000 and maintain a separate fund to cover major structural work and the proposed significant development of the Church. This year the general reserve is £52,867 (2021: £58,171). The balance on the Buildings Maintenance and Repairs Fund at the end of 2022 was £328,849 (2021: £383,768).

#### **Balance Sheet**

The Church is holding substantial cash and investments in order to fund the Church development project. At the end of 2021 cash and short-term deposits stood at £255,831 (2021: £299,984). The value of investments at the end of 2021 was £133,288 (2021: £145,267). Investments are held in the following Funds:

Newton Global Growth and Income Fund, Blackrock Catholic Charities Growth & Income Fund and the CCLA CBF Church of England Fund.

Debtors (receivables) were £16,405 (2021: £15,642). Debtors are made up of Gift Aid tax due from HMRC (£13,312), Hall and fee income not yet received (£1,677) and prepayments (£1,416). Total current assets fell to £272,236 (2021: £315,446),

# Independent examiner's report

to the PCC of St Mary with St Alban, Teddington

I report on the financial statements of the charity for the year ended 31 December 2022, which are set out on pages 10 to 17.

# Respective responsibilities of trustee and examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

This report, including my statement, has been prepared for and only for the charity's trustees as a body. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body for my examination work, for this report, or for the statements I have made.

## Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from you as trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

# Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

• to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

# Notes and accounting policies

# 1 Accounting policies

#### 1a Basis of preparation

The financial statements have been prepared under the Charities Act 2011 and comply with FRS 102 SORP 2015 (The SORP).

The financial statements have been prepared under the historical cost convention.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

#### 1b Funds and reserves

Unrestricted funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application to the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted. The only such designated fund at present is the Buildings Maintenance and Repairs Fund. This fund has represented amounts appropriated from the General fund to cover the expense of significant repairs and maintenance to the Church. In the light of the plan to raise funds to significantly develop the church the PCC has decided to extend the use of this fund to cover the costs of the proposed Church development.

Restricted funds are those which must be applied for a particular purpose and any balance remaining unspent at the end of the year is carried forward as a balance within that fund.

The policy of the PCC is that normal expenditure each year (church, hall and office costs plus the Common Fund contribution) should be covered from normal income (stewardship and tax, collections, donations, rental and traditional fund raising). As income varies through the year and there are often maintenance and small development projects that need to be completed a general reserve is maintained at approximately £50,000 to meet any shortfall. Fund raising for the Church development project together with any annual surplus and non-specific legacies is transferred to the Buildings Maintenance and Repairs Fund. As noted above this fund will be used to cover the costs of the Church development project and any other large maintenance projects that may be identified in the Diocesan architects' quinquennial review and or approved by the PCC. In accordance with FRS102 SORP this policy is reviewed annually by the PCC.

Fund transfers are made as required between restricted and unrestricted funds in order to facilitate activities related to the particular funds.

Typically, the PCC retains £30,000-£75,000 of its funds in cash accounts to meet immediate needs and the balance on cash deposits or in approved investments for Charities. These investments are managed by an investment sub-committee which reports to the PCC bi-annually.

#### 1c Incoming resources

Collections and planned giving are recognised when received. Income tax recoverable on covenants or gift aid donations is recognised when the income is recognised. Sundry income from sales and fundraising activities is accounted for gross, before deduction of ancillary expenses which are accounted for under 'Expenditure'. Rental income is recognised in the period to which it relates. Grants and legacies are recognised when the PCC is legally entitled to the amount due, receipt is probable and the amount can be measured reliably.

#### 1d Expenditure

Resources used are accounted for on an accruals basis. The diocesan common fund is accounted for when payable and has been paid in full in both 2022 and 2021.

Grants and donations are accounted for when paid over, or when awarded where the award creates a binding obligation on the PCC.

#### 1e Tangible fixed assets

Consecrated and beneficed property is excluded from the accounts by section 10 (2) of the Charities Act 2011.

Moveable church furnishing held by the Vicar and the Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected.

All expenditure incurred during the year on consecrated and benefice buildings and movable church furnishings, whether maintenance or improvement, is written off as expenditure in the Statement of Financial Activities and separately disclosed.

#### 1f Depreciation

Significant capital expenditure on the church hall and other fixtures and fittings is capitalised and depreciated over 50 years and 5 years respectively. Computer and photocopier equipment is depreciated over 3 years and the hand bells (acquired in 2006) were depreciated over 15 years and this period has now ended. Expenditure which is maintenance in nature is written off as expenditure in the Statement of Financial Activities.

### 1g Investments

Investment assets are shown at market value as a separate category of fixed asset, as the intention is to retain them long term. The changes in market value in the year are reported as gains or losses on investment assets in the Statement of Financial Activities.

#### 1h Current assets

Amounts owing to the PCC in respect of fees, rents or other income are shown as debtors.

Short term deposits include cash held on deposit either with the CBF Church of England Funds, CAF Bank or at Barclays Bank.

#### 1i Going concern

In compliance with FRS102 SORP 2015 the PCC considers that; having regard to the reserves and the commitments of the Church that there are no material factors affecting the ability of the Church to remain a going concern for the foreseeable future.

#### 1j Trustee employment status

The PCC is a registered Charity and the members of the PCC are Trustees of the Charity. As such under FRS102 SORP 2015 we are required to declare if any Trustees are employees of the PCC and have received any remuneration from the PCC. In 2022 no Trustee was an employee of the PCC and no Trustees received remuneration from the PCC. Trustee and related party donations are shown net of Gift Aid.

# 8 RESTRICTED FUNDS

The principal restricted funds arise under three separate charities covered by two Schemes of Arrangement sealed by the Charity Commissioners for England and Wales. Under the terms of these Schemes the PCC, as Managing Trustee, is obliged to apply the income and at its discretion the whole or part of the capital of the property of the charities in the refurbishment and maintenance of the Church hall or, subject thereto, for such other charitable purposes as the PCC sees fit. These funds have been applied in the redevelopment of the Church Hall which at 31 December 2021 had a net book value of £267,648 (2021 - £278,282) included in fixed assets above.
